

EMAILUL ÎN DACIA ROMANĂ. ÎNTRE IMPORT ȘI PRODUCȚIE LOCALĂ

Doina Benea

Cuvinte cheie: *email, atelier, tehnologie, tipologie, accesorii vestimentare, echipament militar, harnașament*

Key words: *enamel, workshop, technology, typology, clothing accessories, military equipment, harness*

Abstract: *The present study represents the extended version of the paper presented at the International Symposium from Frankfurt am. Main in March 2009, entitled **Werkstätten für Bunt – und Edelmetallverarbeitung in der Provinz Dakien- Eine Übersicht**. We analyze the military and civilian production centers for enameled pieces, especially those with military character.*
